

MANUFACTURER'S COUNCIL

MISSION STATEMENT:

To promote the civic, economic and industrial position of those industries whose operations contribute significantly to the economic base, growth, and welfare of the area served by the Lima/Allen County Chamber of Commerce and the Allen Economic Development Group.

Chairman: Gene Heitmeyer, Colonial Surface Solutions, Inc.
Committee meets quarterly.

2016 ACCOMPLISHMENTS:

- Continued development efforts and dialogue regarding, trucking, rail, transportation infrastructure and freight routing improvements with local and regional governmental agencies and planning commissions.
- Identified through "Link Lima Allen County" and the 2016 "MakerFest" event opportunities for manufacturing member companies to increase access to workforce training and development.
- In conjunction with the Legislative Committee, Ohio Chamber of Commerce, and the Ohio Manufacturing Association, engaged local, regional, and state governmental bodies in discussion of pertinent regulatory reform to improve the competitive environment Ohio manufacturing businesses face in the rapidly evolving economy.
- Support and participate in the "**Link Lima Allen County Workforce Development**" frame work to promote careers and educational opportunities in manufacturing.
- Focused on more opportunities for the Industries and Manufacturers to network.
- Surveyed manufacturers on what they are doing to reduce cost, types of networking event opportunities and issue awareness (workforce, EPA, infrastructure, etc.)

2017 GOALS:

- Continue development efforts and dialogue regarding, trucking, rail, transportation infrastructure and freight routing improvements with local and regional governmental agencies and planning commissions.
- Continue to identify through "Link Lima Allen County" and the 2016 "MakerFest" event opportunities for manufacturing member companies to increase access to workforce training and development.
- In conjunction with the Legislative Committee, Ohio Chamber of Commerce, and the Ohio Manufacturing Association, engaged local, regional, and state governmental bodies in discussion of pertinent regulatory reform to improve the competitive environment Ohio manufacturing businesses face in the rapidly evolving economy.
- Continue to support and participate in the "**Link Lima Allen County Workforce Development**" frame work to promote careers and educational opportunities in manufacturing.
- Focus on more opportunities for the Industries and Manufacturers to network.
- Survey manufacturers on what they are doing to reduce cost, types of networking event opportunities and issue awareness (workforce, EPA, infrastructure, etc.)
