We have several products that will help you prepare for reopening

It looks like businesses will be ramping up to reopen soon. We have several products that will help you prepare for that. In working with essential businesses over the past several weeks, we've learned what items they needed to provide a safe environment. If you have any questions about these items, please let me know. Watch for our new video "3 products you need to re-open and what to expect when ordering them" that will be posted to our Facebook page. You may have received a link to it if you subscribe to our email newsletter list (you can sign up at www.promohitsltd.com) or you can look for it by going directly to our YouTube

We have **infrared "no touch" thermometers**

Here is a link to the information and pricing: <https://www.viewpresentation.com/25404177249>

We currently have two **hand sanitizer options** that are available **quickly**. One is for a 11.5 oz. liquid formula. There is a space to add a label with your branding on it. The supplier does not offer this service, but we are looking into label possibilities. Here are details on the 11.5 oz. liquid hand

anitizer: <https://www.viewpresentation.com/66904185427>. We also have distillery-produced liquid hand sanitizer available in 750 ml (approximately 25 oz) in distillery-identified glass bottles. These are available for delivery with a fee or for pick up in Bluffton, Ohio immediately. Here are the

details: <https://www.viewpresentation.com/33604191027>

There are several other options which you can see here – some that are imprintable with your logo and some that have a stock label: <https://www.viewpresentation.com/89304194988> Hand sanitizer options are changing every day. If

you can let me know what size and/or quantities you are looking for, we can let you know when we have them available. We are working with both US and overseas suppliers on these. Sizes can be anywhere from 1 oz. to gallon-sized. We also have **KN95 masks** (Chinese equivalent to N95) available as well. These are approved by the FDA for NON-MEDICAL USE ONLY. Here is a link to the information and pricing for the

masks: <https://www.viewpresentation.com/81804177255>

There are a variety of **cloth masks** available. Here are just a few options:
