WHAT'S A PROGRAM VS. A SIGNATURE EVENT?

Any of the pages in grey are our “Programs”. These events occur multiple times a year or annually. Program sponsorships are for those who are looking for long-term, consistent branding. Most often, they are audience-specific and include various speakers, networking, and business-building .

Any of the pages in red are our “Signature Events”. These events occur once a year and vary in audience, size, and scope based on topic. Typically, signature events have high-level speakers, large attendance, networking, and focus on content and innovative solutions to business challenges.
